How to use this brochure

This brochure showcases some of the highlights of Combo Life. Please note that some of the vehicles shown include options available at extra cost and not all of the features described are available on every model. You can click through to the Price and Specification Guide for all the latest details.

Grab life by the steering wheel

It gives you more. More practicality. More space. More clever features. More time for the important things. Like weekends away with the kids. Spontaneous trips to the seaside. Adventures. Get-togethers. Family time. Me time. It simply helps you make the most of life. Because let's face it: there's more to life than just getting from A to B... and there's more to Combo Life.

Space for life

You have places to be. A family to look after. Hobbies to follow. You need a car that can handle it all. Say hello to Combo Life.

5 or 7 seats

With Combo Life you get a choice of 5 or 7 seats (the latter equipped with a third row of seats that can be easily removed should you need to boost your boot space).

Please note: UK specification may differ from that illustrated.

Twin sliding rear doors

Twin sliding rear doors make Combo Life safe and easy to get in and out of the rear cabin, and the flat loadspace floor makes it simple to fit everything in safely.

2,693 litres of loadspace

Combo Life comes in two lengths, designed to give you stacks of practicality and versatility. Choose from standard or XL, with the latter giving you a whopping 2,693 litres of loadspace.

Practically the only way to get the family together

There's plenty of room for living inside Combo Life. You get a huge load area as standard. And when you've got even more to carry, you can easily fold the rear seats or, on 7-seater models, remove the third row seats. Load it up and off you go.

Please note: UK specification may differ from that illustrated.
Features Child Pack, optional at extra cost on certain models.

Folding seats...

The 5-seat models give you a 60/40 split rear bench with an extra large load area and convenient flat floor – perfect for just about everything you need to take with you.

...and room for seven

7-seat XL models give you the flexibility of three individually foldable second row rear seats and two sliding third row rear seats. And should you have more luggage than people to accommodate, then the rear seats can also be removed completely.

ISOFIX child seat mounting

All models feature three separate ISOFIX mounting points as standard.

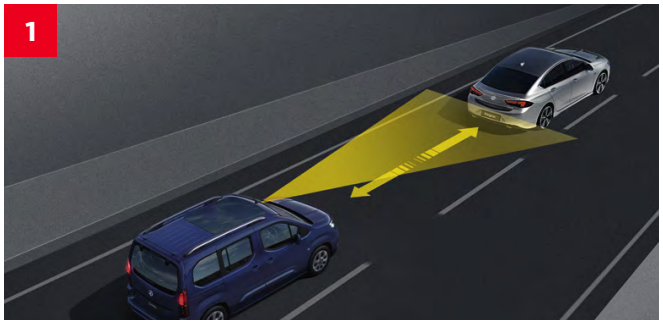

It's cool, calm and collected

Combo Life's packed with all the safety features you need for safer, easier driving. The best bit? You'll get most of them as standard.

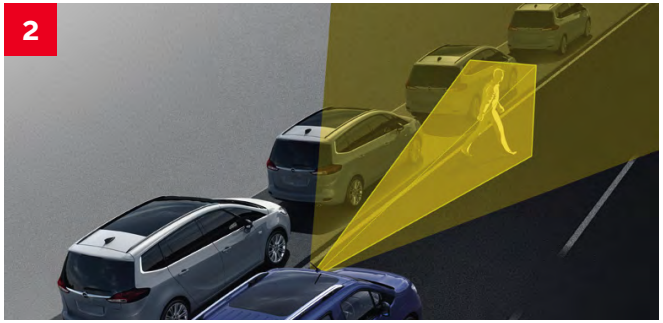

Front camera system

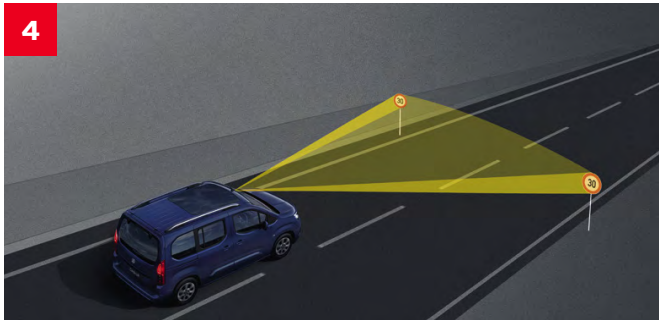

1. **Forward collision alert:** Warns you of hazards ahead, giving you plenty of time to act.
2. **Automatic emergency braking with pedestrian detection:** Will automatically slow down or stop should a car or person get too close.
3. **Lane keep assist with lane departure warning:** Keeps you in lane and out of harm's way, with an alert sound and a gentle nudge of your steering wheel.
4. **Speed sign recognition:** Detects speed limits and displays them clearly in your instrument cluster.

5. **Driver drowsiness system:** Alerts you if you show signs of tiredness. It does this firstly by using sensors to monitor for any sudden steering corrections. The system also reminds you to take regular breaks when you are making longer journeys.

For more detail on the Combo Life's safety features please click through to the Combo Life Price and Specification Guide, **vauxhall.co.uk/gocombolife**

It’s a carefree weekend away from it all

With a commanding driving position that gives you a great view of the road ahead. Driver assistance systems that keep you calm and in control. Combo Life makes every drive a pleasure.

Advanced Park Assist*

Will size up a free parking space then steer you safely into (and out of) it. All you need to do is work the pedals.

Rear-view camera**

Reversing out of your driveway or into a tight parking space? Our clever 180° rear-view camera* gives you an extra-wide view of everything behind you.

Head-up display

Our smart head-up display* projects important info (like your driving speed) into your line of vision.

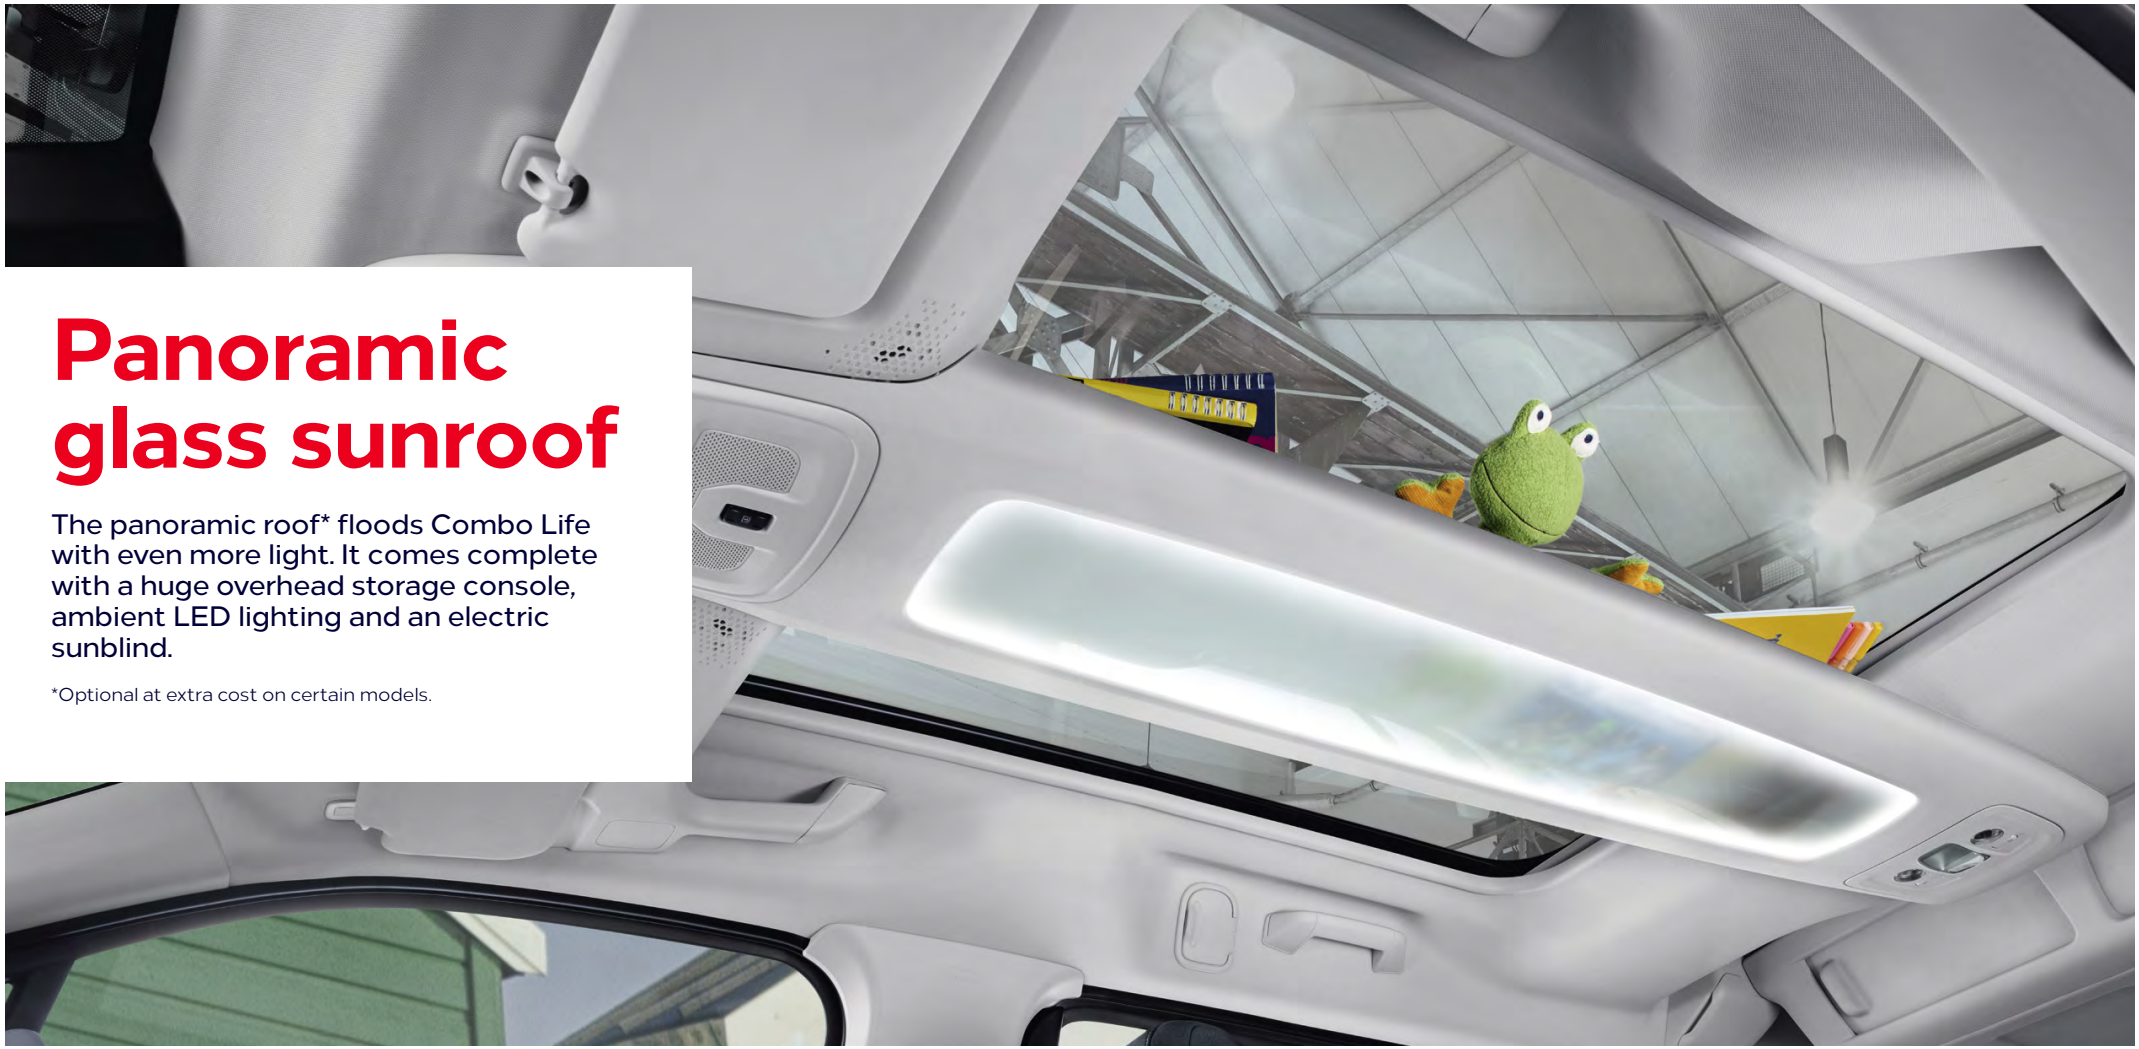

*Optional at extra cost on certain models. **Standard on certain models. For more detail on the Combo Life's driver assistance features please click through to the Combo Life Price and Specification Guide, **vauxhall.co.uk/gocombolife**

Large and totally in charge

There's lots to love inside Combo Life. Look around and you'll find up to 27 storage solutions and clever compartments throughout the vehicle.

Panoramic glass sunroof

The panoramic roof* floods Combo Life with even more light. It comes complete with a huge overhead storage console, ambient LED lighting and an electric sunblind.

*Optional at extra cost on certain models.

27 separate storage compartments

Tucked away inside the cleverly designed cabin you'll find up to 27 separate storage compartments; from small and large cup holders to a handy locker hidden beneath the rear footwell.

Entertainment sorted

Route planned. Bags packed. Entertainment sorted. Combo Life is packed with all the tech you need to stay chilled out and well-connected.

1

1. Smartphone projection

Apple CarPlay™ or Android Auto™ connects to your smartphone, projects it onto a high-resolution 8-inch touchscreen display and puts everything you need at your fingertips: contacts, music and phone sat nav.

2. Multimedia Navi Pro*

Upgrade to the optional Multimedia Navi Pro and you'll get even more, including advanced voice control and an integrated sat nav system.

2

3

3. Wireless charging*

A convenient inductive charging pad wirelessly charges your smartphone with no annoying cables – and no fuss.

*Optional at extra cost on certain models. In-car features should be used by drivers only when safe to do so. Drivers must be in full control of the vehicle at all times. Apple CarPlay™ is a trademark of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc. also registered in the U.S. and other countries. For more detail on the Combo Life's infotainment systems, please click through to the Combo Life Price and Specification Guide, **vauxhall.co.uk/gocombolife**

Life with more bite

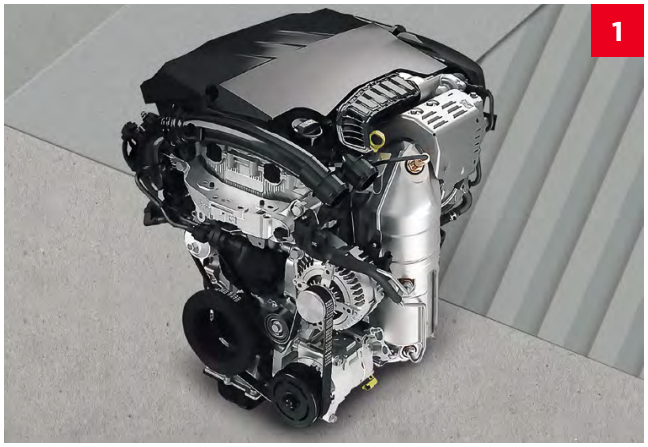

With multiple top-notch engine options, there's a Combo Life to suit you and your driving style.

1. **Award winning power:** Combo Life gets an award-winning 1.2 turbo charged petrol engine that effortlessly blends efficiency with sheer power.

2. **Automatic transmission:** Should you need it, the Combo Life can also be equipped with a sophisticated 8-speed automatic transmission

3. **Diesel power:** You get a choice of powerful diesels, all featuring BlueInjection, the latest generation of our NOx emission control technology, which helps to reduce air pollution.

4. **IntelliGrip:** An intelligent front-wheel-drive system that keeps everything under control. You can switch between four different modes, from standard ESP, to one for driving in mud, sand or snow.

Fuel economy# and CO_2* results for the Combo Life. Combined mpg (l/100km): 37.5 (7.5) – 52.3 (5.4). CO_2 emissions: 176 – 142g/km.

#Fuel consumption figures are determined according to the WLTP test cycle. *CO_2 emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied. Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO_2 produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO_2 with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

Meet your match

Combo Life is all about positive choices – so whichever model you choose, you get great features as standard.
